¹ Beginning January 1, 2001, Fairfax County changed its Consumer Utility Tax on consumers of electricity as required by the Commonwealth of Virginia's utility deregulation legislation. Prior to this date, the Consumer Utility Tax was calculated based on the amount of a consumer's bill. The current calculation method, described in this table, is based on usage. The consumption based tax is calculated to be revenue neutral. For more information on this change, please refer to the Consumer Utility Tax section of the General Fund Revenue Overview.
